

**Director of Music**  
**The Parish of Winchcombe**

We wish to appoint an inspirational Director of Music who will continue to develop the musical life of the parish, lead the choir and play for services.

St Peter's, Winchcombe has a strong musical tradition. There is an enthusiastic robed choir of over forty members ranging from children to adults. It sings at the parish communion and choral evensong. There is also a music group which leads more contemporary worship. The Director of Music will primarily be based at St Peter's, but will also oversee the music of the other churches in the parish including St Mary's at Sudeley Manor.

Winchcombe is an ancient Cotswold Town with a strong sense of community and an annual Festival of Music and Arts. The rich cultural life of Cheltenham is just seven miles away.
