

Bereavement Support Group

A bereavement support group has now been formed in Winchcombe and welcomes anyone who has been bereaved at any time.

We are a self-help group, and all of our members have at some time had close personal experience of bereavement. There is time to talk, listen and socialise in a warm and understanding environment, with an occasional speaker to talk on subject that people find helpful.

If you feel nervous about coming along for the first time on your own, we will make sure someone is available to come with you and introduce you. Please telephone Shelia Broderick on 604601 or Margaret Batterbury on 604177 for further details.

Meetings Dates

(Last Thursday of every month 2.30pm at St Peter's Centre)

29 November : 31 January : 28 February : 28 March
